

## Assistance for our Franklin Neighbors in Need

Are you or someone you know temporarily going through a difficult time?

- Do you need help finding available resources?
- Do you need food or clothing?
- Assistance with heat or other utilities?
- Assistance with rent or mortgage?
- Car repairs?

**The Franklin Saint Vincent de Paul Society**, (SVdP) from St. Mary's Church may be able to help. The St. Vincent de Paul Society is a volunteer lay Catholic organization operating out of St. Mary's Church. The SVdP Society has been helping *Neighbors in Need* in Franklin for over 30 years regardless of religious affiliation.

The process of receiving help starts by calling us at 508-918-2291 and leaving a message with your name and the type of assistance you are looking for. A volunteer will usually call you back within 24 hours to get a better understanding of your situation and your needs, to see how we might help. All information is held in strict confidence. Last year **The Saint Vincent de Paul Society** helped Franklin residents almost 700 times. The **SVdP** Society works closely with other social and non-profit agencies to help our *Neighbors in Need* understand the resources that are available to assist them.

If you are in need or know of anyone else who is in need, please give us a call. We want to help all *Neighbors in Need* through any temporary difficulties.
